

Anytime Mechanical is a commercial plumbing company. We are Colorado owned and operated. Dedicated to quality and exceptional customer service. Our skilled crew and professional office staff are the best in our field with 30 years of respectable service to our community. Anytime Mechanical has a solid reputation in the Denver metro area outlined below:

- Every member of our team takes pride in the success and satisfaction our customers have during and after each project is complete
- Resourcefulness and inventiveness assist in the momentum and cost effectiveness of our projects
- Job site safety is a top priority
- Our distinguished quality of work, schedule and budget
- Skilled, detailed, professional workforce

James and Jade opened Anytime Mechanical in March of 2012. James has been in the plumbing industry for over 35 years. They have brought reasonable pricing and quality work to the trade.

Together in their careers they have completed a wide spectrum of jobs including:

- Hotels
- Condominiums
- Retail
- Restaurants
- Warehouses
- Medical Facilities
- Dental Offices

Anytime Mechanical is excited to hear from you, and ready to assist you in your project with prompt professional service.

Thank you,

James and Jade

# Anytime Mechanical

Englewood Apartments, Eliot St.

- Excellent execution from proposal to jobsite
- Speedy response in proposal stages
- Detailed procurement review to ensure scope gaps were covered
- Unique problem solving to mitigate lead times, storage, and price escalation
- Early installation of plumbing stacks, gas stacks, etc.
- Anytime is an organized team made up of great communicators who are present, knowledgeable, and bring solutions, not problems, to ARCO

## Reference Letter

**June 17, 2019**

**Concerning: Anytime Mechanical**

I am happy to offer a letter of recommendation on behalf of Anytime Mechanical. They were a major plumbing contractor on our projects, Denver Colorado with the construction of several Hospitality projects.

They were there on a timely basis and completed all of their scope on an allotted time given.

It's refreshing to have the owner, James, actively involved and interested in the day to day operations of our project.

They also were there with the understanding of other trades so they knew the sequence of events needed to get their scope complete.

It has been a pleasure to work with such a communicable company. Should you have any questions please feel free to reach me at, 830-491-2316

Very truly yours,

DD and B Construction

Keith Sutton

Director of Construction

# NORTHBRIDGE

June 14, 2019

To Whom It May Concern,

Anytime Mechanical is currently contracted with Northridge Construction for plumbing a Tru by Hilton hotel project in Lone Tree, CO. We are near completion, on time, and under budget due in large part to Anytime Mechanical.

Since we first engaged them for services, they have been a responsive team member that has produced exceptional outcomes. They've hit or finished before all dates set forth in the schedule and have been instrumental in keeping this project running smoothly. When a design error was found, they've aided the design team and Northridge in finding a solution quickly in order to get everyone back to work.

Northridge Construction would highly recommend using Anytime Mechanical on your upcoming projects. Their professionalism and expertise in their trade is unmatched. Should you wish to discuss this recommendation further, feel free to contact me.

Sincerely,

## NORTHBRIDGE

## **Letter of Recommendation**

**TO: James Music**  
**Company: Anytime Mechanical**

**From: Tyler Weber - PE**  
**Company: Hall-Irwin Corporation**

Anytime Mechanical is working on the Hilton Garden Inn Project in Longmont CO for Hall-Irwin.

Anytime Mechanical has been very punctual and efficient with their scope of work and has great communication around the whole project, not just for their trade.

I would recommend Anytime Mechanical for future projects and they are currently on our bid list for up and coming projects.

Sincerely,

Tyler Weber - Hall-Irwin Corporation
